The PDR Homepage

When you log into the PDR system you should see your form on the welcome screen under your name and job title. You may see more than one form if you completed PDR via this system in previous years, or if you have more than one appointment in the University.

The screenshot shows the 'My PDR' interface. At the top left is a blue star icon followed by the text 'My PDR' and a help icon. Below this is a 'Welcome,' message. The main content area is divided into two columns. The left column is titled '2023-24 PDR' and contains details for an appointment with ID '043965-2', due on '30th September 2024'. It lists an 'Objectives Only Form' with a manager and reviewer, both represented by redacted names. The right column is titled '2022-23 PDR' and contains details for an appointment with ID '400013-12', due on '30th September 2023'. It lists a 'PDR Light Form' with a manager and reviewer, also with redacted names.

At the top right side of the page you should see the four links below.

Each is explained briefly:

Help opens a page containing tabs where you can find more information about the PDR process or system. Please note additional **Help** can also be found on each page via the question mark symbol

Menu will open a list of options **if you have any additional permissions within the system**. For those staff who are a reviewer / line manager you can find the link here to '**My Staff PDR**'. This is the option you will use to access the forms of those staff you are reviewing or view those who are in your area.

Sign Out ends your session within the system.

Home returns you to the PDR homepage.

Objectives

'Future objectives' that were set at last year's PDR (2022-23) will now appear as 'current objectives' in your new form for 2023-24.

Exemptions and Eligibility for PDR

The following groups of staff are fully exempt from the PDR process:

- Those on an NHS clinical academic pay scale
- Those who are on a contract of less than 0.2FTE
- Those who joined the University after 1 July 2024

The following staff are required to set objectives only:

- Staff who started between 1 January 2024 and 30 June 2024
- Staff who increased their hours to greater than 0.2 FTE after 1 January 2024

Absence/Leave

Where there has been a significant period of absence within the PDR year, i.e., long-term sick leave, maternity/adoption/shared parental leave, etc., such staff may be exempt from participating in the PDR process, with exemptions permitted by the local People & OD team.

However, if exempt, objectives and development plans will be required to be refreshed and updated on the staff member's return to work to enable future engagement in the process.

Resignation

Where a staff member is due to leave the University during the annual review period there will be no PDR required, however, regular informal review meetings should take place between the line manager and the staff member in accordance with operational needs.

If you have been assigned a PDR form and believe you should be exempt, please log a call with your local People and OD team via the Helpdesk. [Log a call with the P&OD Helpdesk here.](#)

Your PDR Form

To open your PDR form, click anywhere in the box marked '2023-2024 PDR'.

Each member of staff in the University has a unique PDR form associated with their appointment(s).

For example, staff on the Research and Teaching (R&T) track should have an R&T form, those on the Learning Teaching and Scholarship (LTS) track will have an LTS form, and most Professional Services staff will complete a PDR Light form. You can check which form you have been assigned at the top of the screen. **Staff who have multiple posts will have a form relevant to each appointment.**

Your Objectives: How to Create, Delete, and Edit

Editing Current Objectives

Once you have created the objective, clicked **Save** and finally **Close** the objective will appear.

Deleting an Objective

If any previously agreed objectives are no longer relevant you may wish to mark them as such via the **Status** drop-down or delete them entirely.

Future Objectives

Your **Future Objectives** are what you will set in this PDR round and work towards over the next year. When the 2025 PDR round opens, the objectives you create here will become your **Current Objectives** that you report back on.

You may choose to create a Future Objective which lasts more than one year, but you should remember to specify what elements you will work on over the next year to show advancement.

Log an enquiry with the P&OD Helpdesk choosing the sub-category "PDR Form". Your enquiry will be answered by a colleague in your local P&OD team who will be able to check this for you.

I have changed line manager during the review period, how will my PDR work?

If you have reported to more than one line manager during the review period it is important that you still maximise the opportunity for a reflective conversation about your career development and your performance throughout the review period. It would be useful, therefore, for the PDR to consider input from both the current and previous line manager if this is practical. In principle, it would be recommended that the current line manager carry out the PDR with appropriate input from the previous line manager. The PDR portal is set up such that this is the assumed position, if however, it makes sense for another approach then this could be agreed by those involved. In any scenario, your new line manager should always set your future objectives.

How do I see my previous PDRs on Core?

Please refer to the top of page 5 in this guide which explains how to find previous PDR forms.

I have been assigned an Objectives Only form – why is this and can I change it?

If you began your current post on or after 1 January 2024, or if you increased your hours to greater than 0.2 FTE after 1 January 2024 you will be assigned the Objectives Only form.

In a minority of cases and in agreement with your line manager you can opt to complete the fuller form. To have this changed, your manager must log an enquiry with the P&OD Helpdesk choosing the sub-category "PDR Form". Your enquiry will be answered by a colleague in your local P&OD team who will be able to change this for you.

I think I have the wrong form

Log an enquiry with the P&OD Helpdesk choosing the sub-category "PDR Form". Your enquiry will be answered by a colleague in your local P&OD team who will be able to check this for you.

I created an objective and saved but it has not appeared

You may need to refresh your screen to make the objective appear but if this does not work, please log an enquiry with the P&OD Helpdesk choosing the sub-category "Objectives". Your enquiry will be answered by a colleague in your local P&OD team who will be able to investigate this.

I cannot see current objectives because I have changed post or been promoted

Log an enquiry with the P&OD Helpdesk choosing the sub-category "Objectives". Your enquiry will be answered by a colleague in your local P&OD team who will be able to check this for you and update the appointment number your form is based against.

I want to copy one of my objectives

Please refer to page 10 in this guide for information on how to copy an objective.

Can I set an objective which is longer than a year?

Yes. Though 30 June 2025 is the end date of the next PDR round, the system will allow objective dates exceeding the end of this cycle to be entered. If your objective spans more than one year it will be copied and re-entered into next year's form when it launches in 2025.

Where can I get more further information on my career track criteria?

Where can I get more information on the University Values?

<https://www.gla.ac.uk/myglasgow/staff/values/>

How do I know if my staff have signed off their form?

Use the menu button in the top right, choose My Staff PDR and in the first tab you will see the current status of your staff PDR forms. You will also receive an e-mail when they have signed off.

How can I find out who I should be reviewing?

Use the menu button in the top right, choose My Staff PDR and in the first two tabs you will see the current status of your staff PDR forms. If you think this is incorrect please log an enquiry with the P&OD Helpdesk choosing the sub-category "Incorrect Reviewer". Your enquiry will be answered by a colleague in your local P&OD team who will be able to correct this for you.

How do I access a form for someone I am reviewing if they are not a Direct Report?

Use the menu button in the top right, choose My Staff PDR, and scroll down to the staff hierarchy. Look for the staff member's name and choose the link to **Open** from the right side of the screen.

How do I know my form is signed off?

You will receive an e-mail when you complete the Sign Off. On the homepage your form will show a status at the bottom of the box which will change to show Sign Off Due when you have completed. You can also log an enquiry with the P&OD Helpdesk choosing the sub-category "Sign Off Enquiry". Your enquiry will be answered by a colleague in your local P&OD team who will be able to check this for you.

What do I do if I disagree with my rating?
